

FROM AMERICAN AIRLINES

NEW LUXURYLINER ALOFT. The American Airlines DC-10 LuxuryLiner cruises at 600 miles an hour with 206 passengers--34 in first class and 172 in coach. There is a first class lounge at the front of the cabin, and in coach an even larger lounge with a stand-up bar. The DC-10 is 181 feet, 5 inches long and measures 58 feet, 1 inch at the tail. The wing span is 155 feet, 4 inches. American Airlines accepted the first DC-10 to enter commercial service.
